Report of video conference

Grade- Nursery

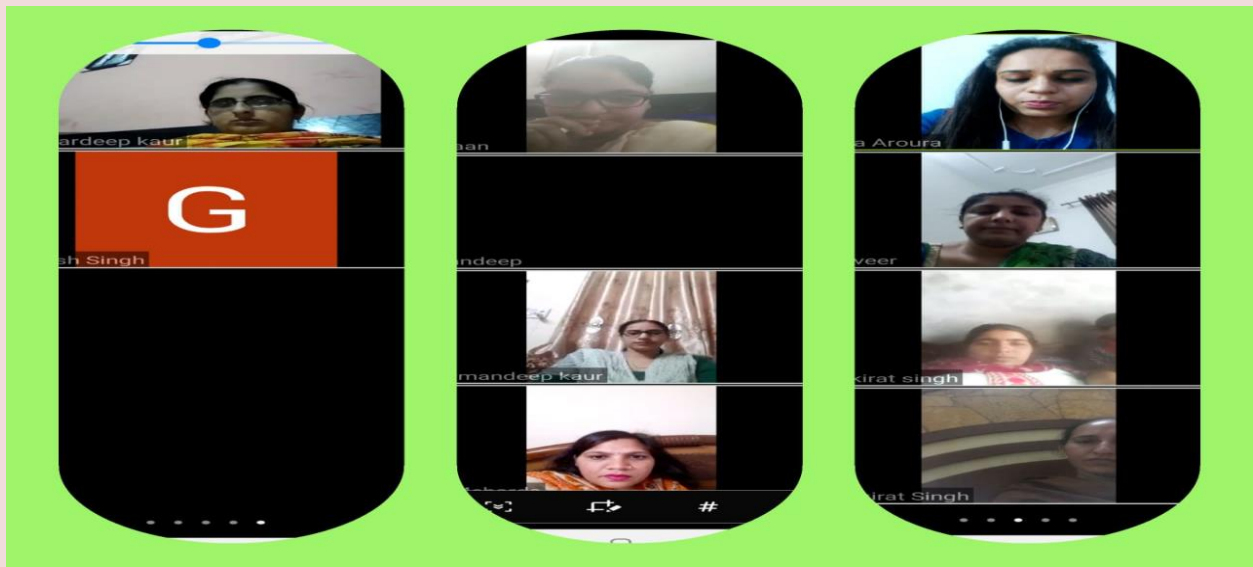

Session-1 (Wednesday)

The zoom session of grade nursery of both the sections was taken by respective incharges. Our tiny tots are now used to for online classes ,they always wait for their teachers and they welcome us with a smile on their faces .The session begins by asking them some questions related to their daily routine .Then we did 'Roll Call' activity followed up shloka, prayer song. In this session children were interacted with domain-Literacy. Two days prior we gave them the task to find the pictures related to alphabets-D, E, and F.So they were quite excited to show us the pictures. Overall it was fun filled activity for them as we can see the excitement on their faces when they were answering us. In this way we recapitulated all the previous letters.

Attendance of the zoom session-

Facilitator's	Total Student	Present students
MS.Samta(Nur cuckoo)	29	24
MS.Mamta (Nur NG)	29	20

Session -2(vc with parents)

This session was taken up with the parents on Google meet app so they can easily assess the app on Friday .One day prior we sent them the guidelines related to the workshop which is to be conducted by Nature Nurture team. In this session we explained the guideline which is to be followed up parents on

Friday. Then educator addressed all the queries of parents. At last they were seemed like completely satisfied and having no doubts regarding the session.

Valuable feedback given by the parents:-

Today vc session was very interesting. Mamta mam showed alphabet related toys and students answered about toys. (A to F). and also sang poems chanda mamma and meri guddia Karan parents.

1:06 PM

Hlo mam
Today's VC session was very good.. All students were very excited about their class.. students were asked about their parents names, Days of the week, Hindi rhymes. They also came to know about Family day Students were given an activity by teacher to make a family Tree.
