

REPORT OF VIDEO CONFERENCE

GRADE – NURSERY

“Education is the movement from darkness to light”

Session-1 (Wednesday)

The zoom session of grade nursery of both the sections was taken by respective incharges. As our kids are familiar with us so they always started the session by greeting their teachers. Then we started our session by asking them some questions like-

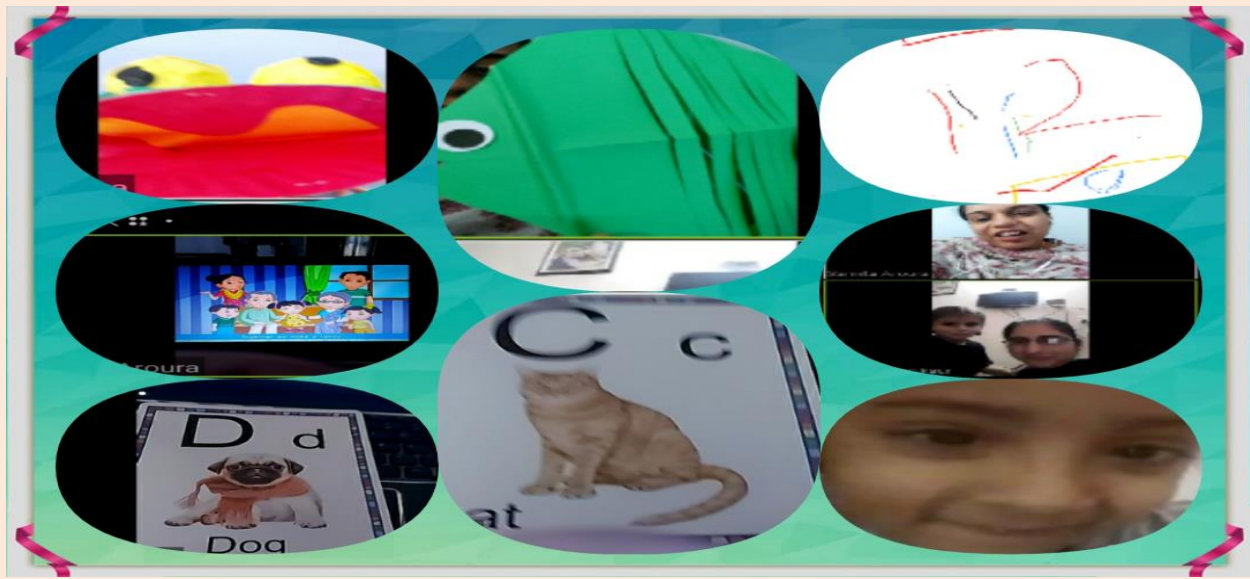

- 1)How are you?
- 2) How is the weather today?
- 3) What is the name of your school?
- 4) In which section you read?

After that we began our session by doing shloka, prayer song followed up by circle time and warm up song. They were quite happy while singing warm up song. In this session children were interacted with two domains-Literacy & Mine. In literacy we recapitulate phonic drill & previous syllabus, introduced letters (D & E) by showing them some props and then topic of mine-(BATHROOM) was introduced to them by showing them some pictures.
