Session 3 :-

Virtual Pool Party_

' One can't have more fun than playing with water on a hot day in a splash pool.'

Delhi Public School, Ferozpur held a pool party for the students of Pre-Nursery through virtual class on 29th May,2020. The pool side was beautifully decorated with balloons, balls and buntings. The tables were arranged with fruits and other eatables. The tiny tots turned up in colourful swimsuits and had great fun in the pool.

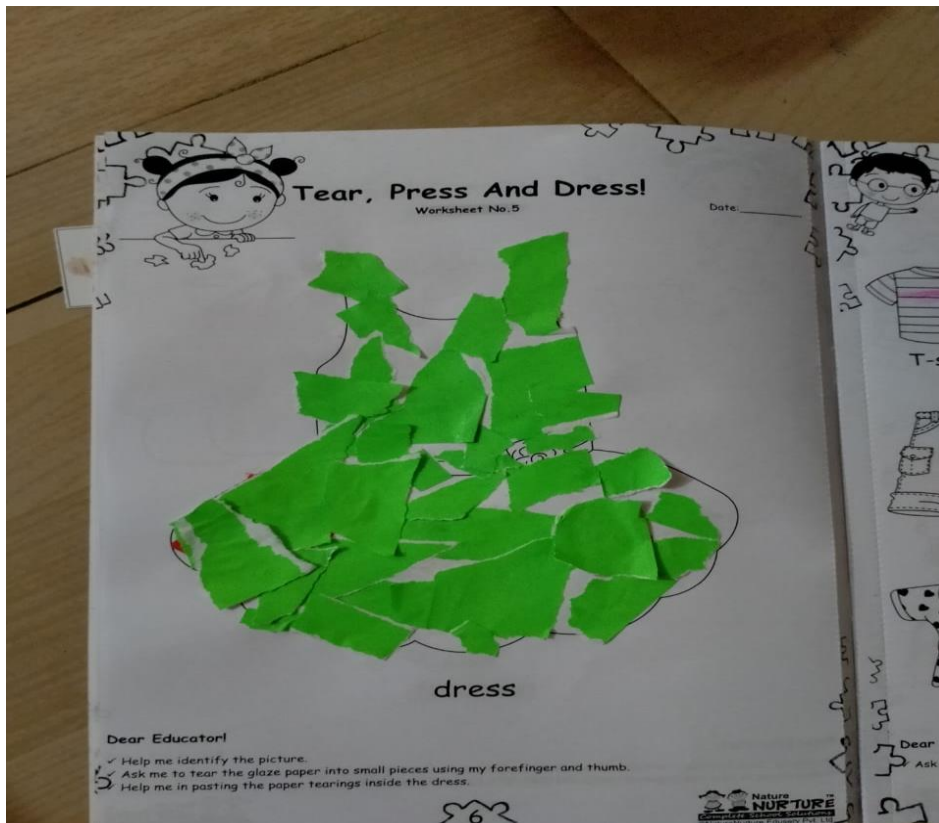

Refreshing drinks to sip in the cool pool and music to make the mood, was relished by all.

Lockdown has made us try new things which we never thought of doing. Spending most of our time with our loved ones is a wish come true.Utilising the most of it, we are trying to keep the kids entertained and involve in some or the other activity.

Session 4

The session of grade pre nursery was taken by Ms gurleen .The session focused on the development of fine motor skills.The session started with the recapitulations of the rhymes .Further the learners were made aware about the correct method of tearing n pasting e.g by using the finger tips.keeping this in mind the learners started tearing the paper into small pieces and later pasted those bits of paper on a dress. The learners enjoyed doing this activity.
