Nevertheless, enthusiasm of faculty as well as students was at its best. The spirit of the celebrations was as bright as freshly risen sun. The theme set up for this big day was 'Toon theme'.

Students dressed up in their favourite cartoon costumes. The expressions on children faces

well conveyed their emotions and happiness of the enjoyable moments. They were seen living each moment. Despite the tough times, everyone was sinking into vibes of positivity and contentment.

The teachers engaged the students on social media. A Puppet show was recorded by Ms. Ranjum and Ms. Gurleen. The students seemed

to have loved it to the bits. All the efforts and hard work was well paid off after seeing the smiling faces of the children. Alongwith a puppet show a short movie was also put up for the entertainment of young minds. Also activities like tongue twisters and freeze dance were arranged to engage the children in fun session.
