## CIRCULAR

Dear Parents

We extend our humble gratitude to all the parents who supported us by clearing their dues partly or completely. However we again appeal to those parents, who in spite of repeated calls and requests from school, have not responded to advance for fee deposition. I believe we all need to conduct on moral grounds. In agreement with recent Punjab High Court Notice, it is expected of parents to clear their first quarter dues at the earliest possible to streamline the further proceedings. *Therefore, you are advised to clear 1st quarter dues of your ward/s by July 31.*

However as per High Court declaration, the parents who feel financially incapacitated to clear the dues, must submit their respective case to School Authority in written along with required supporting documents.

The School Management ensures the best possible support to the genuine cases on the basis of the requests put forth by them. In case School does not receive any appropriate response from parents in spite of continuous reminders, the school reserves the right to follow formal procedure as per the Academic Policy.

*Please note that the last date for the submission of application is July 31, 2020. After the said date requests will not be accepted.*

Your kind cooperation is solicited.

Regards

Principal
