CIRCULAR

Dear Parents

Keeping the requests put forward by students to provide them sufficient time to complete their summer break assignments and practice sheets, we have decided to elongate the period of break for one more week tentatively. This will also help students prepare themselves for Informal Assessments which will be conducted in last week of June.

Besides the Virtual Test Assignments, we also have a mechanism in place to conduct the Viva tests for each subject online which will act as a verbal counterpart to the written Online Test. Being conducted with the purpose of ensuring that your ward has understood the topics covered so far and to confirm his/her ability to defend thoughts verbally, this Viva test will

- be based on the syllabus provided by the teacher for the Informal Assessment.
- commence right after the break.
- be conducted in the form of Speaking Activities, Seminars, HOTS/ Practical application-based Problems etc.
- will constitute 10% of the aggregate marks of each subject.

Kindly refer below for the Scheme of Periodic Informal Assessment.

Viva Test	10 marks (IV - X) 15 marks (XI - XII)	Online one to one Assessment	Tentatively June 19 onwards
Written Test	20 marks (IV - X) 25 marks (XI & XII)	Online Test (Time Bound)	June 26 onwards
HHW	5 marks (IV - XII)	Subject Teacher's Internal Assessment	
Virtual Class Room Conduct	5 marks (IV - XII)	Based on daily reports	

Please note that PG - III shall resume their regular live session June 15 onwards.

The schedule for the same will be shared by the class in-charges. Please co-operate by ensuring that your ward completes his/her homework and prepares well for his Assessments.

Regards

Principal
