Dear Parents

Assessments have an important role in education and since your child will be attempting his/her assessments from home this time, we request you to help us take action to maintain the integrity of these assessments.

Please take note of the following points:

- We'll be using Informal Assessments as a tool for organizing and automating digital assessments
- Questions will be in the form of MCQs, Short Answer Types or Long Answer Types barring
 Hindi, Punjabi, French & Math where assessment sheets will have standard format of MCQs.
- Each child will be given only one chance to attempt the Assessment. There would be no
 provision for second attempt unless there is a genuine problem like technical snag or medical
 issue.
- Class teacher shall be informed immediately in case of technical glitch. Similarly timely information regarding health issue would be appreciated.
- The students will be required to attempt all the questions and the hit SUBMIT button.
- The standard timings for the Assessments will be from 9:00 to 9:45 a.m. However, the timings may vary depending on the demand of some specific subject.
- After the assessment, an hour would be dedicated for the revision as per the subject assessments slotted for the next day.
- Be punctual. The test will be locked after the said time.
- Attendance is mandatory. Requests pertaining change of date/ timings shall not be entertained.

Best wishes

Principal
